HUD PUBLIC HOUSING ASSISTANCE PROGRAM

ALL PROPERTIES ARE SMOKE FREE

The Public Housing Program is a great housing assistance program that also provides participant families with free access to our Oceanspray Family Center programs. If you make application for this program you can expect to wait shorter times than for the HUD Choice Voucher Program depending on the eligible bedroom size for your family. The waiting period varies and is determined by qualifying bedroom size and availability of units. One (1) and (4) bedroom units usually have the longest wait.

Your family must be income eligible to be qualified for the program. Check the chart below by the number of people in your household for eligible income limits. The Tenant pays 30% of their adjusted annual income as monthly rent. Family members will be required to disclose and submit documentation to verify their Social Security numbers.

Once a completed application is received and the family meets the eligibility criteria to receive assistance, they are entered on the Public Housing waiting list by family bedroom size. Each bedroom size waiting list is kept in date and time order of receiving your application. Housing Authority of Lincoln County has a preference for applicants who live and/or work in Lincoln County. These applicants are placed on the waiting list before non-residents.

It is important that you keep the Housing Authority updated with your correct mailing address during your waiting time since you will only be notified by mail when assistance is available. You can also apply for more than one type of housing assistance and be on several different program waiting lists so make sure to check out our other housing assistance programs.

One hundred nineteen (119) Public Housing units are located throughout Lincoln County. These units are owned and managed by the Housing Authority. Unit sizes are 1, 2, 3 & 4 bedrooms. Some 1, 2- and 3-bedroom units have handicap accessible features and a few are for those with visual impairments. Water, garbage, and sewer are included with the rent for all units. Residents pay electric and/or natural gas, and are responsible for all deposits required by the utility company.

Once reaching the top of the waiting list for your bedroom size your application will be screened for rental admission criteria such as criminal history and previous rental history. We currently do not use credit history for screening admission and we do not charge an application fee.
